A BRIEF BIOGRAPHY

Julie is a certified Control Unleashed Instructor (CCUI) and is also certified in TAGteach methodology (Level 1). She is owned by two Border Collies and a very dog-savvy cat. She also gets to live and work with an Australian Koolie, a Staffy mix, and a 14-yr-old Jack Russell mix.

Julie lives in Deerfield, NH, where she owns Kool Kids Agility and teaches Control Unleashed and FDSA classes. For 28 years she ran dog training camps at her world-renowned White Mountain Agility. Some of the theme camps she developed there were Wild Child, Speed-Em-Up, Novice Genius, Jumping Genius, and the WMA Instructor Certification Course, which honed the skills of hundreds of teachers and thousands of dogs worldwide.

Julie has competed and won with many different dogs including two Rottweilers, a Springer Spaniel, a Cairn Terrier, two Corgis, and five Border Collies. She is a two-time national agility champion and a two-time international champion. She's the only person to make USDAA Grand Prix finals with a Rottie or a Springer, and she did it two times each. She was the expert voice of Cynosport agility for many years, doing livestream video commentary at international events seen all around the world.

She is the author of four agility books and three DVDs. She teaches classes for FDSA including Baby Genius, Empowerment, Cookie Jar Games, Crazy Good, Magic Mats, and Control Unleashed Pattern Games for Sports and Life Skills.
